## LOCATION: KOZANI, GREECE KICK-OFF MEETING

We are excited to announce the official launch of the DIGI-UNITY project – Building Digital Resilience and Intercultural Understanding among Youth.

On May 28, 2025, partners from Greece, Bulgaria, and Romania came together for the official kick-off meeting of the DIGI-UNITY project. This important event marked the start of a collaborative journey aimed at empowering youth and youth workers across Europe with essential digital skills, intercultural awareness, and active citizenship.

During the meeting, participants discussed the project's objectives and defined key strategies to:

- Enhance digital readiness and competencies among youth workers
- Promote intercultural communication and mutual understanding
- Encourage active citizenship and social inclusion through innovative training programs

Go For It!

Co-funded by  
the European Union

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the Youth and Lifelong Learning Foundation (INEDIVIM). Neither the European Union nor the granting authority can be held responsible for them.

The meeting also set the stage for the development of practical educational materials, including the Youth Empowerment Handbook, and planned interactive seminars and workshops to foster a supportive, inclusive environment.

As highlighted by the partners, “DIGI-UNITY is about equipping young people with the tools they need to thrive in a diverse and digital Europe.”

Together, we are building a more resilient, connected, and inclusive generation ready to embrace the challenges and opportunities of the digital age.

Stay tuned for upcoming activities and milestones as DIGI-UNITY unfolds!
